Cases pass when:	Cases fail when:
<p>At least one locate effort was necessary and due within the reporting period, and a qualifying location attempt was made for every necessary and due locate effort. The qualifying locate attempts (qualifying actions) include:</p> <ul style="list-style-type: none"> • Automated locate efforts made by MiCSES; • Automated submission of NCPs to the FCR; • Automated submission of NCPs' addresses to an NCOA service; • Automated processes successfully locating NCPs and entering verified location information in MiCSES; • IV-D staff manually accessing FCR location results; • IV-D staff manually initiating location efforts through MiCSES; • IV-D staff successfully locating NCPs and entering verified location information in MiCSES; • IV-D staff requesting postal verification of potential location information; • IV-D staff requesting employer verification of potential location information; and • Initiating IV-D case closure manually or automatically. <p>When calculating the percentage of cases passing, the numerator for the Locate CPS is the number of IV-D cases where at least one locate effort was necessary and due within the reporting period, and a qualifying location attempt (qualifying action) was made for every necessary and due locate effort within the appropriate locate time period by the 75th calendar day (for initial locate efforts) or the 90th calendar day (for ongoing locate efforts).</p>	<p>There is at least one necessary and due locate effort for a IV-D case for the reporting period where a <i>qualifying</i> location attempt was not made by the 75th calendar day (for initial locate efforts) or the 90th calendar day (for ongoing locate efforts).</p> <p>The following actions, while defined by the contract as valid locate attempts, are not <i>qualifying</i> locate actions for this CPS at this time because they are not tracked in MiCSES:</p> <ul style="list-style-type: none"> • Manual NCP locate efforts undertaken by IV-D staff recorded on the MiCSES <i>Notes Processor</i> (NOTE) screen;³ and • IV-D staff manually accessing Data Warehouse location results.⁴

² For an unlocated NCP with more than one IV-D case, each of his/her IV-D cases must receive a payment or a portion of the payment for the case to be excluded; if the case is not excluded, it will require a qualifying locate action.

³ At this time, CPS reports cannot track manual efforts to locate NCPs as a qualifying action unless the NCP's new address is manually entered.

⁴ At this time, CPS reports cannot track the use of Business Objects reports as a qualifying action. A remedy ticket has been entered to address this issue.
