NOTICE OF TITLE IV-D CHILD SUPPORT CASE CLOSURE

Dear Mr. Doe:

You may have recently received a notice that your IV-D child support case was reopened. Your case was reopened so a child support worker could make updates to your case. Your case will be closed again when those updates are done. You will not receive another notice of case closure.

You only need to call us at the phone number above if:

- You can provide more information that could help us continue working your child support case; or
- You believe you have received this notice in error.

If these do not apply to you, you **do not** need to call us.

This notice only affects the case(s) shown above. It **does not** affect any other child support cases you may have. It also **does not** change any court orders or payments required on any other child support cases you may have.

If you get new information about your case, you may reapply for IV-D services at www.michigan.gov/michildsupport.
