We have completed a court referred support investigation. Enclosed is a written report and recommendation as a result of the court referred support investigation. The written report includes the support amount determined by application of the Michigan Child Support Formula and all factual assumptions upon which that support amount is based. The friend of the court determined from the facts of the case that application of the Michigan Child Support Formula was unjust or inappropriate. Therefore the written report includes additional information regarding an alternative support recommendation. This recommendation is not an order. Further action is required to have this recommendation become an order.

Federal law requires each state's child support program to notify parties of their right to request a child support review for a possible change in support. Under Michigan law (MCL 552.517), you have a right to request a review in writing every 36 months from the friend of the court office.
